RE: Addendum #1
of Pages: 2

The following revisions and clarifications are provided with respect to the Request for Proposals issued by BPCA in connection with the Project (the "RFP):

1) Bid Breakdown Form:

The Bid Breakdown Form attached to this Addendum shall be substituted for the Bid Breakdown Form that constitutes the second page of the Cost Proposal Form attached to the RFP as Exhibit D. The new Bid Breakdown Form includes estimated quantities for each category of Work and a specific line for demolition.

2) Questions/Responses:

The following questions regarding the Project were posed at the Pre-Proposal Meeting held on July 30, 2018 (A response is provided in bold-faced type following each question):

- a) Under what line item is the demolition and disposal of the timber decking covered?

A line has been added to the Bid Breakdown Form for demolition on the updated Bid Breakdown Form included in this Addendum.

- b) Is it possible for unit quantities for all lines to be defined to ensure that all bidders are providing comparable prices?

The estimated quantities have been provided on the updated Bid Breakdown Form included in this Addendum.

- c) Are there any load restrictions on the pier or approach?

Strengthening improvements were made to the Promenade (Apron) surrounding the Pier in 2011 – 2012 to provide load capacity for the Promenade up to 100 lb/sf and AASHTO-18 truck loading.

- d) Are there any restrictions on the hours of construction activities?

Construction hours are 7:00 am to 5:00 pm. The Pier A business hours start at 11:00 am, and the contractor is to make every effort to avoid negatively impacting business operations.

By signing the line below, I am acknowledging that all pages of this Addendum have been received, reviewed and understood, and will be incorporated into the Proposal submitted. This document must be attached to the Proposal for consideration.
